Dear Friends,

Since 1855, The Erie County Fair has been held to promote and showcase our youth and community's talents, traditions and diverse heritage. It is our goal to provide a family friendly atmosphere, affordable entertainment and educational events for persons of all ages.

The Erie County Agricultural Society would like to invite you to be a part of our sponsorship program for the 2024 Erie County Fair held August 5<sup>th</sup> thru the 11<sup>th</sup>. Sponsorships and donations we receive help us fund outreach programs such as the Animal and Me Show for our special needs youth, Senior Fest and Veteran's Day. We provide fun, educational activities for Kid's Day, the Peddle Tractor Pull and many other hands-on activities. Your financial support helps us bring in shows and entertainment that our families can enjoy.

Included with this letter is our sponsorship brochure with many opportunities to choose from. Your sponsorship provides excellent exposure for both you and your business along with building pride in our community and youth. With the support from our friends and business partners, the upcoming fair will be a great success!

Feel free to contact me 419.239.1972 or our office staff 419.625.1000 with any questions you may have.

Thank you,

*Doug Burmeister*

Doug Burmeister, President  
Erie County Agricultural Society
