

Erie County Jr Fair Online Entry Process Through FairEntry

Entries Open Friday July 1, 2022

Deadline Monday August 1, 2022

New this year, ALL Erie County Junior Fair exhibitors (4-H and FFA members) will complete their junior fair entries online. Please read the entire guide before attempting to make your entry to ensure you have all required information and documents available.

Important

- For EVERY project you plan to bring to this year's fair you must make a FairEntry online entry. This includes livestock, still projects and Cloverbuds. This guide will explain the process.
- We will also be at all pre-fair judgings to help with questions and problems. Or you can email 4HAuctions@ErieFair.com. Please include a phone number.
- Even though you need to click "Continue to Payment" to submit entries, all invoices will be \$0.00.
- After submitting entries you will receive an initial confirmation email detailing what you submitted. **If you do not receive this email check your junk or spam box.** Once your entries have been reviewed by our FairEntry staff you will receive a second email with information on the acceptance or rejection of your entries. Allow up to 3 days to receive the acceptance/rejection email. **Again, check junk or spam box if you do not receive the confirmation email.** Rejected entries must be fixed and resubmitted by the August 1st deadline.
- If your entries have been submitted but not yet approved or rejected you will not be able to add or edit entries. Once entries have been approved or rejected you will be able to log back in the make corrections or add entries.

Please have the following available before starting entries

All Entries:

- ***Family 4HOnline user name and password.***
 - FFA members will create a FairEntry account.

Livestock Entries:

- ***Photo - for market animals***
 - A photo of you and/or your animal may be uploaded during the entry process or emailed to 4HAuctions@ErieFair.com later. These photos will be used with the Online Add-On auction. If you do not upload or email a photo, there will be no photo attached to your online lot(s).
- ***Animal Info***
 - You will need to enter animal info for **each** animal you plan to bring. Pens of 2 or 3 animals (rabbits and poultry) will need one entry for the pen, but animal information added for each animal.
 - If you plan to bring more than one animal or more than one pen of animals for a particular project, you will need to make more than one entry.
 - The required information will vary by animal type. **See chart at end of document.**
 - Horse projects just need to enter info for each horse. Show classes will still be determined by horse committee this year.
 - Animal info can be changed at check-in if you decide to bring a different tagged animal.
- ***Showmanship Entry***
 - You must make a showmanship entry into the appropriate age group for each species you show.
 - Beef and goat exhibitors may need to enter more than one showmanship class depending on what you show.
