7. No weights to exceed more than 13' from the center of the rear axle.
8. Exhaust shall be a minimum of 12 inches above the hood or to the rear of the tractor.
9. Tractors are to have hood and grill (stock appearing) in place.
10. Drawbars 20 inches high maximum, 18-inch minimum distance from center of rear axle. Pull point shall be clevis or horizontal plate with a 4-inch hole or larger. No lifting of hitches under pull.
11. After drawbars have been measured, drawbars cannot be altered and air pressure in tires cannot be altered. Drawbars are subject to re-measuring after the pull at the discretion of the track official.
12. Contestants must be 18 years old or have parents' written consent.
13. A tractor may be entered multiple times per class with different drivers; but only one driver will be awarded. Entry clerks MUST be made aware of the multiple entry at the time of entry or BOTH drivers will be disqualified.
14. Drivers will draw for position at the time of entry.
15. No alcoholic beverages allowed on or in the grounds or pit area.
16. Contestants will conduct themselves in a sportsman like manner or risk being disqualified.
17. Tractors must remain inbounds or will be disqualified.
18. No intentional jerking or hole digging allowed.
19. Any exposed turbochargers will be shielded by 1/16 inch or thicker metal.
20. Any loss of weights during a pull will disqualify the puller.
21. The first puller has the option to come back and pull again immediately or drop to the 6th or last spot if not satisfied with pull. Puller must decide before unhooking from the sled. If mechanical problems occur, a puller may drop to the last position.
22. Each puller will have 2 attempts to move the sled 75 feet, second attempt will be measured and official.
23. Any safety items, such as fire extinguishers, safety blankets, fire jackets, and helmets are accepted and highly recommended.
24. Tractor is to run on one fuel only: gasoline, LP, or diesel fuel only. No mixing of fuels.
