ALL Erie County Junior Fair exhibitors (4-H and FFA members) will complete their junior fair entries online. Please read the entire guide before attempting to make your entry to ensure you have all required information and documents available.

Important

- For EVERY project you plan to bring to this year's fair you must make a FairEntry online entry. This includes livestock, showmanship, still projects and Cloverbuds.
- Even though you need to click "Continue to Payment" to submit entries, all invoices will be \$0.00.
- After submitting entries you will receive an initial confirmation email detailing what you submitted. If you do not receive this email check your junk or spam box. Once your entries have been reviewed by our FairEntry staff you will receive a second email with information on the acceptance or rejection of your entries. Allow up to 3 days to receive the acceptance/rejection email. Again, check junk or spam box if you do not receive the confirmation email. Rejected entries must be fixed and resubmitted by the July 15th deadline.
- If your entries have been submitted but not yet approved or rejected you will not be able to add or edit entries. Once entries have been approved or rejected you will be able to log back in to make corrections or add entries.
- Questions email <u>4hauctions@ErieFair.com</u> or call/text 419-656-0666 or 419-656-5015
