Dear Erie County Junior Fair Buyers,

The 2024 Erie County Junior Fair is rapidly approaching and we're sure all of our 4-H and FFA exhibitors have been working hard all year to prepare their projects. Let's reward them with a fantastic turnout at the 2024 Erie County Fair Auctions. This year's auctions will be run by The Sale Committee with the help of FairEntry.

Back to the Farm Feeder Calf Auction Friday, August 9, 2024 4:30 p.m.

Small Project Auction Friday, August 9, 2024 6:00 p.m.

Large Livestock Auction Saturday, August 10, 2024 **4:00 p.m. NEW TIME.** You'll have plenty of time to enjoy the fair and Demo Derby after the auction.

Online Add-On Friday, August 9, 2024 5:00 p.m. through Tuesday, August 13, 2024 11:59 p.m.

The Online Add-On allows you to reward an exhibitor by giving them an additional contribution without the worry of being out bid in the live auction. You will not take possession of any item.

How do I register to bid?

Previous Buyers - You already have a FairEntry online account and buyer number. You will use the email and password from last year to log into your account at <http://eriefairohjr.fairentry.com>. You can click "forgot password" to reset your password if needed. After logging in you can view the auction once it's published, make add-on contributions, or pay your bill by credit card (fees apply). **Please do not create a second account.** Accounts can be verified at the fair. Be sure to save or remember your password.

- It is not necessary to log into your account before the fair if you're just purchasing at the live auctions.

New Buyers

- For the live auction: Visit the sale office during the fair or create an online account as instructed below.
- For the online add-on auction Log into <http://eriefairohjr.fairentry.com> Click the "Register as a New Buyer" link on the Erie County Jr. Fair home page below the Sign In with FairEntry option. (Be sure you are at Erie County Ohio, not New York.) You will be prompted to enter the information for the account. All fields except the second line of Street Address are required. Enter any number for buyer ID, we will adjust it. Once the auctions are published online you can log into the fair's sale at <http://eriefairohjr.fairentry.com> using the email and password that you set. You will then be able to view the auction, make add-on contributions and pay using a credit card (fees apply).

How do I bid?

- For the live auction: Visit the sale office after 2:00 p.m. the day of the sale to pick up your bid number.
- For the online add-on auction: Log into your FairEntry account using your email and password. You will see all lots or can select a particular exhibitor.

*****How will Group Buys Work:*****

Multiple buyers intending to bid and buy together should register as a buyer group. Each individual buyer must have their own FairEntry account first. We can help with this in the office if needed. One person must be designated as the responsible party for the group. This person will be responsible for registering the group with the sale office. They will receive the group number and must turn in the group buy form. They will be responsible for any payment discrepancies. The responsible party will **not** be required to collect and turn in all the money. Each individual buyer will be invoiced. Please have buyer groups registered by 2:00 p.m. the day of the sale to avoid delays or potential missed opportunities during the sale.
